Fraud Prevention and Internal Controls *Do you know where your money is?*

Join us at our March meeting for an opportunity to network and learn how to prevent fraud for your company.

Robert Brown is the founding partner of The CPA Solution, LLC, a firm specializing in fraud prevention and detection, forensic accounting and fractional CFO services. He is a former CFO and audit manager. As a speaker and industry expert, he has been invited to address audiences at colleges, universities and professional groups on issues of accounting fraud. He enjoys the challenges of providing custom accounting training for convention workshops and private organizations. He has also published numerous articles in his field.

Bob is a member in good standing of The American Institute of Certified Public Accountants, The Maine Society of Certified Public Accountants and The Association of Certified Fraud Examiners.
